“

Everyone just pushes compliance down the supply chain. How do we as a business create incentives for suppliers to become sustainable?

”

Last year's Forum survey findings

Attempts to collaborate

Barriers

Impacts

- ✓ 84% dialogue w NGOs
- ✓ 78% share brand info
- ✓ 70% train suppliers

- ✓ lack of financial resources
- ✓ lack of knowledge about the issues
- ✓ lack of effective comm'n with internal stakeholders

- ✓ Most only have 'some impact'
- ✓ Only 32% 'significant impact'

We are overwhelmed with info
