EXPERT ARTISTRY

The S80 Series offers unlimited options and unrivaled luxury. Our premium wood doors feature your choice of quality stain-grade or paint-grade woods and bring the brilliance of nature right to your garage door. These wood doors feature distinctive patterns that speak of skilled craftsmanship and quality innovation. Choose from a host of facing options to create the door of your dreams. Insulated for noise and temperature control, these carriage doors can be further customized by windows, top sections and decorative hardware designs. Discover the possibilities with a Signature Carriage Collection wood door.

- Polystyrene insulation with an R-value of 4.75 for some styles
- Finger jointed rail and stile frame construction
- Beautiful wood exteriors including Hickory, Western Red Cedar and Mahogany (Paint grade exteriors also available)
- Heavy duty galvanized steel hinges
- Durable hardware and track including ball bearing, nylon-coated rollers
- Wind load and custom options available upon request
