

## PRESS RELEASE

September 1, 2011 – VPNE Parking Solutions LLC, ("VPNE") headquartered in Boston, Massachusetts, is pleased to announce the promotion of Thomas MacKinnon to Senior Vice President.

Tom MacKinnon joined VPNE in 2003. Tom's leadership, professionalism, deep financial background, interpersonal skills and operational expertise have resulted in an unprecedented rise within the organization. Tom's clients include: State Street Corporation, Pyramid Hotel Group, Berkeley Management, Cresset Group, Jones Lang LaSalle, the Archon Group, and Lahey Clinic.

Tom MacKinnon's promotion reflects VPNE's commitment to building and maintaining a strong and dynamic senior management team. "Along with attracting world-class talent from outside the company, one of our top priorities is to enhance and showcase VPNE's existing leadership team," said Kevin J. Leary, President & Chief Operating Officer. "Tom is a superstar. He has an exceptional ability to connect with and clearly understand his clients and their goals. His record of coaching his team to deliver and exceed the desired results is truly special. Tom's promotion is a result of his ability to think strategically and his significant contributions to VPNE's success over the past 8 years."

Tom graduated from Boston College, with a Bachelor of Arts in Communications in May 2000 and earned his MBA from Suffolk University in 2008.

###

About VPNE Parking Solutions:

Since 1990, VPNE has been the parking and transportation business partner to premier health-care institutions, retail and mixed use property owners, developers and managers, class A offices, hotels and hospitality companies. VPNE works with their clients to maximize the value of their parking and transportation assets with our resort level service and our expert management. Our clients rely on VPNE to help build revenue, enhance brand, and realize strong ROI in their parking and transportation assets.
