

FOR IMMEDIATE RELEASE

Curtis Awarded Training Fund Grant

WORCESTER, Massachusetts (January 8, 2013) — Curtis Industries, LLC was awarded \$98,350.00 in a workforce training fund grant which supports up to two years of training.

The resources provided by the grant will help the company continue its journey to becoming a world-class manufacturer. This training grant will allow Curtis to provide their employees with the skills needed to significantly impact critical areas of the business. It will also provide Curtis employees with the knowledge and training in new manufacturing and business concepts which will result in the next generation of product innovation.

The benefit to the business and employees will be increased market share, strong margins, a safe work environment, engaged employees, and an expanding company where new, stable, well-paying jobs are created for our community and surrounding areas.

Curtis has been providing good jobs in the community since 1969. At Curtis, they live up to the mantra of **Safety, Quality, Delivery** and **Cost** by providing a safe work environment, innovative products which are 100% defect free and manufactured on time—all in a cost effective manner.

Curtis Industries, LLC is the leading manufacturer of cabs, enclosures and accessories for compact tractors, golf cars, and utility vehicles. The company, which started in 1968, also manufactures truck plows and snow and ice control equipment for tractors and utility vehicles. Curtis Industries, LLC markets its products exclusively through a large network of dealers in the United States and Canada as well as Japan, Korea and Western Europe. The company operates from a modern 150,000 sq. ft. facility in Worcester, MA.
