## Big Things are Happening in Beverly!

Essex Crossing at Montserrat is pleased to announce that the first home in the development is underway. Lot 1 features the Beverly I Model, a spacious 4 bedroom 2.5 bath open floor plan, with a covered front porch entrance. This home features a large kitchen, with a morning room, opening to the family room. Just off the Kitchen there is a spacious deck, perfect for entertaining and outdoor living. Upon entering the front door, buyers will find a formal Living Room and Dining Room. The upstairs boasts a large master suite with en suite bathroom, customized with a separate fully tiled shower and whirlpool bath tub, and a spacious walk-in closet. Down the hall from the Master Bedroom Suite, buyers will find three additional large bedrooms and a second full bath. Laundry facilities are conveniently located on the second floor.

Buyers will have the opportunity to personally select design feature throughout their home, including a vast selection of standard cabinetry, tile, and flooring. In addition, for those buyers who are really looking to customize their home, we provide a wide variety of upgraded designer cabinetry, tile, and flooring.

Those of you interested in this home in this beautiful new neighborhood, please contact Kevin Pietrini at 978-578-4376.
