

Child Development Network is Proud to Announce the “CDN CARES PROGRAM”

Directed by Dr. Renee Folsom of Johns Hopkins-Kennedy Krieger Institute

CDN Center for Autism Research
Education Services is offering:

EXECUTIVE FUNCTIONING SKILLS GROUPS

- The groups will run for 8 weeks
 - 1st Round – May 4th to June 26th
 - 2nd Round – July 6th to August 26th
- There are two types of groups – one that meets once a week and another that meets twice a week
- For children ages 8- to 11-years old who have problems with flexibility and organization
- Intervention includes 45-minute child sessions and regular check-in with parents
- Topics will include: Flexibility, Coping Strategies, and Organization/Planning
- Based on the “Unstuck & On Target” Curriculum

CDN CARES Commitment

- Uses state-of-the-art knowledge
- Offers evidence-based programs
- Provides relevant, targeted recommendations

CDN is proud to welcome Renee Folsom, PhD, who brings with her a wealth of experience and expertise working with children, adolescents, and adults at Johns Hopkins-Kennedy Krieger Institute’s Center for Autism and Related Disorders and UCLA’s The Help Group. Dr. Folsom joins a team of dedicated, compassionate professionals at CDN who will ensure that your child achieves his or her personal best.

**Child Development
Network, Inc.**

The logo for Child Development Network, Inc. features the letters 'cdn' in a stylized, overlapping font. The 'c' is blue, the 'd' is red, and the 'n' is yellow. The letters are set against a background of a white grid pattern that resembles a globe or a network. Below the logo, the text 'Child Development Network, Inc.' is written in a blue, serif font.
